

"I am **Farshid Seyed Mehdi**, pastor of the Iranian church in Almere and Public Relations Manager of Transform Iran and their Sama.tv and persianworldradio.com.

Henk's book "The Messiah Revealed in the Holy Scriptures" in Farsi is of very special significance to the Iranian Church and the Farsi speaking believers. We had the Farsi edition printed in Turkey and distributed it to many pastors: in Turkey, in Europe and also in Iran. Many pastors use the book as a reference and for teaching and preaching in the Iranian churches.

The Farsi Bible Translation Team also uses the book "The Messiah Revealed in the Holy Scriptures" as a concordance to gain a better understanding of the Old and New Testament and therefore to be able to translate more accurately."

"Hendrik Schipper wrote the books, but the Bible resonates in what he wrote. There are many misunderstandings about Israel, while the Lord is very CLEAR about this in His Word. The book "Israel the apple of God's eye" is composed in such a way that you no longer have to look up the Bible verses yourself. They are all written out!! Beautiful."

"Henk's book: "The Messiah revealed to Abraham", is also extremely suitable for spreading the Gospel among Jewish people.

All Hebrew versions are primarily based on God's Word, written in an engaging manner and useful for the people here in Israel. We are so grateful that brother Henk gave this gift as the fruit of his life to the people of Israel. He was concerned about their salvation".

Distribution in the Philippines

**Founder and author of the books distributed by Boaz World Word Project.**

Who was Hendrik Schipper?

Henk was born in Giethoorn and worked in the financial world for most of his life. He started his career at Ford The Netherlands in Amsterdam and ended up as director of an organisation that is specialized in the restoration of historical buildings in Hoevelaken.

He came to faith at the age of 23 after hearing a sermon on **Isaiah 1:18: "Though your sins are as scarlet, they shall be as white as snow; though they are red like crimson, they shall be as wool".**

When Henk's first wife, Pleuny, unexpectedly passed away in 1992, Henk realised that the Lord wanted to teach him a lesson. Namely that slowly but surely careerism and material things had gained the upper hand in his life.

It brought him to his knees and he decided from this drastic event onwards to put the Lord Jesus first. He was allowed to be Lord over all areas of his life. He sold his spacious house in Epe and used most of the proceeds to establish the Boaz Evangelic Support foundation in 1995. In the same year, he met Kenna Velema during the Bible study at a church in Baarn. She had returned as a missionary from the Philippines after she got a burnout. They married in 1996 and were allowed to serve the Lord together from that moment on.

**History**

In 1995, Henk became a volunteer at the John Bunyan Foundation. This organization is involved in republishing Bunyan's books, but also in distributing the Bible Diary for young and old. At that time, by means of a concise Hebrew Children's Bible, which was distributed in schools in Israel. That brought Henk to the question, how he could reach the Jewish people with the Message of the Messiah.

The Lord's answer was short, but powerful: **"You read in the books of Moses and the prophets because you think you will find eternal life in them. All these books testify about Me."** John 5:39

Since then Henk spent about ten years researching and collecting more than 300 Messianic texts from the Old Testament and the fulfillment in and relationship with the New Testament. In 2009, the book "The Messiah Revealed in the Holy Scriptures" was published. Soon after this it was translated into English/Hebrew and distributed in various versions in Israel by the Israeli Bible Society.

Later, it was translated into 40 other languages via a computer program. You can download them on our website [www.themessiahrevealed.com](http://www.themessiahrevealed.com). In 2018, we changed the name Boaz Gospel Support into the name Boaz World Word Project. From then on we had a worldwide ministry and were able to distribute the books for free by the foundation. Previously, we mainly supported other Gospel workers and Christian organizations.

After this we published the book "Israel the apple of God's eye", also translated into English. Several other books followed, which can be found on the website [www.godsbeloftervoordevolken.nl](http://www.godsbeloftervoordevolken.nl)

These books can also be downloaded for free and obtained by [info@boazworldwordproject.com](mailto:info@boazworldwordproject.com)

**Goal of the Boaz World Word Project Foundation**

The goal of our foundation is to reach the Jewish people with the Message of the Messiah firstly and to reach people worldwide with the Gospel by means of the other translations. Henk also wanted to bring the Prophetic Word regarding the coming of the Lord Jesus and the signs of the end times to the attention of people.

In addition to the websites, we also do this by means of book tables in churches or at conferences and markets, Evangelization campaigns and thrift stores.
